This is Woodbridge Mayor John McCormac and today is Wednesday, June 24.

The Great Adventure Amusement Park is closed but we are still on a roller coaster in Woodbridge as the Township has only six new cases of Coronavirus in the last two days, three on Monday and three yesterday. That’s two of our lowest daily totals ever which followed 16 cases on Friday which was our highest total for the entire six weeks before that.

We also had eight cases in State facilities Monday and two yesterday. There were no additional cases in health care facilities and thankfully no additional deaths to report.

Let’s keep up the effort to follow the State guidelines as the State moves through Phase 2 of the Reopening Plan toward the ultimate goal of being at Phase 3 when it is safe.

Woodbridge Center will reopen on Monday, June 29 and the hours are Monday through Saturday from 11:00 am to 7:00 PM and on Sunday from Noon to 6:00 PM. There are safety measures in place to ensure the health and safety of shoppers and workers with sanitizing stations, touch-free interactions, social distancing directions and frequent and intense cleaning. Details can be found at www.woodbridgecenter.com and we look forward to one of our largest taxpayers getting back on its feet.
While our Libraries are still closed, all locations offer curbside pickup by calling 732-634-4450 option 5 between 10:00 AM and 5:00 PM Monday through Friday to reserve your materials. Summer Zoom programs for teens and adults are available such as Observational Drawing and New Jersey Folklore and Children’s Summer Reading programs will be available soon. Visit www.woodbridgelibrary.org for details.

The outdoor gathering limit has been increased from 100 to 250 with no limit for political or religious activities. Indoor gatherings are limited to 25% of capacity but not more than 100 patrons which includes indoor dining. Please refer to our list of open businesses and remember to Buy Local and help the people who always help us and who employ us and our family members. Please remember to check on your neighbors.

Our Farmer’s Market has a new time and place starting this Saturday morning in the Town Hall parking lot from 9:00 AM to 1:00 PM. We have Jersey Fresh Produce from Alstede Farms, the usual greatness of D’Orsi’s Bakery and two new Woodbridge businesses called Ice Cream Emergency and Popcorn for the People.

So you heard about our crackdown on loud mufflers and don’t you know it but my foolish friend had one on his car. He really did not want to get a ticket so yesterday it took him four hours to remove it. By the time he was finished he was “exhausted”. Thank you and stay safe.
