

Sign Up for:

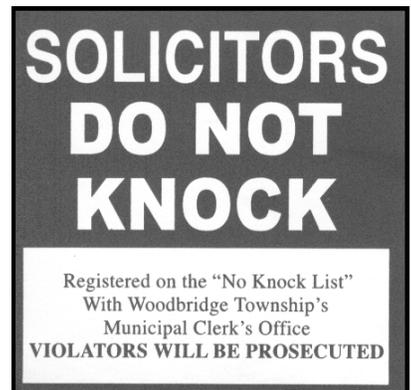

DO NOT DROP! (or KNOCK!)

YOU CAN REGISTER your name and address with the Woodbridge Township Municipal Clerk for inclusion on a “Do Not Knock List” and “Do Not Drop List”

► The “**Do Not Knock List**” is intended to prohibit peddlers, panhandlers, solicitors or canvassers from approaching your home and/or seeking personal contact with the occupants of your home.

► Once registered, you’ll receive a sticker to place on your door identifying your residence as being on the “Do Not Knock” list. Solicitors are made aware of the list when they register their activities with the Township. The address is thereafter off-limits to solicitations.

► The “**Do Not Drop List**” allows residents to register their name, address or apartment number with the Clerk’s Office indicating they do not want any unsolicited ad circulars or newspaper supplements to be affixed to or dropped on or around their property, unless it is within 10 feet of the front door.

Residents can register at online at the Township web site:

www.twp.woodbridge.nj.us
