

A RECURRING SERIES WITH
A VARIETY OF EXPERTS

Raising Happier Kids

(AND HAPPY PARENTS TOO!)

*Amy Tiemann, PhD, is a child safety expert and the co-author of the #1 bestselling parenting book, **Doing Right by Our Kids: Protecting Child Safety at All Levels.***

Courageous Parents, Confident Kids: Skills for Independence AND Safety

Amy will explain how parents can recognize potential trouble and take charge of problems that put kids at risk. She will explain how we can become positive, powerful advocates for our children, and how we can instill key skills for independence to keep children protected so they can explore the world with confidence...and parents can worry less.
