ISELIN BRANCH LIBRARY RE-OPENS... READING PUBLIC ENCOURAGED TO VISIT "NEWLY" RENOVATED & LIGHTED LIBRARY

Full Branch Library Services Resume

Woodbridge - Mayor John E. McCormac today announced that the Iselin Branch Library has re-opened its doors after the completion of interior renovations and the installation of new lighting. As a result of the two-month renovation project, the Iselin Branch Library is more "reader-friendly" and easier to navigate than ever before.

According to John Hurley, Woodbridge Library Director, the Iselin Branch Library was closed earlier in the year to complete a \$192,000 interior renovation and lighting project. The new lighting provides library-goers with more lumens and uses efficient fluorescent and halogen lamps. Additionally, energy-efficient solar panels will be installed at the Iselin Branch Library in coming months, making the facility even more energy-efficient and environmentally-friendly.

Director Hurley noted that the Iselin Branch Library – the busiest of the three branch libraries - continues to operate free of charge, serving readers and researchers from Iselin and neighboring communities. Library cards are available to people who live, work, attend school or own property in Woodbridge Township. For more information on obtaining a Woodbridge Library card log-on to: www.twp.woodbridge.nj.us and go to the Woodbridge Library link.
