Woodbridge Public Works Extends Curbside Fall Leaf Collection Till Dec. 21

Woodbridge Township – Mayor John E. McCormac today announced that the Woodbridge Township Fall Leaf Collection Program has been extended to accommodate the late “leaf season” and that Public Works crews will continue to pick-up bagged leaves until Dec. 21.

“Given that the fall leaves did not drop till later in the season and that many residents have not had the opportunity to rake and bag leaves for curbside pickup, we determined to extend the collection of bagged leaves into the week of Dec. 17,” Mayor McCormac said. “With the weekend snow and rain, and with high winds coming through the Township this week, most of the remaining leaves should come down. The extended leaf collection program will allow residents the opportunity to have their bagged leaves collected at curbside by our Public Works crews.”

Woodbridge has implemented a mandatory “bag only” leaf collection program. To implement the leaf collection program, Public Works has temporarily replaced one weekly trash pickup with the weekly collection of bagged leaves.

Residents who have garbage pickup on **Monday** will have leaves collected on **Dec. 6, 13 and 20**. Residents scheduled for **Tuesday** garbage pickup will have leaves collected on **Dec. 7, 14 and 21**. Biodegradable paper bags must be used... plastic bags will no longer be collected. Biodegradable paper bags can be obtained **for free at the Department of Public Works (225 Smith Street, Keasbey)** or at local hardware stores and supermarkets.

Contact the Woodbridge Township Department of Public Works at 732-738-1311 x3049 or log-on to the Woodbridge Township web page at: www.twp.woodbridge.nj.us for additional information.
