

WOODBIDGE SANITATION COLLECTION SCHEDULE — 2008

PLEASE NOTE: Starting February 4, 2008, the recycling schedule and guidelines will change.

Recycling pickup will occur **once a week on Wednesday** in all parts of the Township. There will be exceptions during holiday weeks, as listed. Trash pickup will continue to occur twice a week, except during April special pickup days and leaf collection season in the Fall.

Commingled and Mixed Paper products will be picked up on alternate weeks.

Newspaper recycling may be placed inside the blue Mixed Paper container. Newspaper should be bundled or tied to prevent being blown away and becoming litter.

These changes will make our recycling operations more efficient, less costly — and easier for everyone to remember so we can recycle more material.

► **If you have questions, please call the Recycling Division at (732) 738-1311 x3049.** ◀

► JANUARY 2008.

- June 11: mixed paper
- June 18: commingled
- June 25: mixed paper

PROPER DISPOSAL OF SYRINGES: At no time should loose syringes with exposed points be put into the solid waste collection stream. Please place syringes out for collection in a safe, sanitary manner that will not expose our employees and others to unnecessary health risks. (1) Never put loose syringes with exposed points into your trash; needle end of syringe must be broken off and center part cut. (2) Place broken pieces of syringe into a container with a lid; when container is full, seal with tape and dispose of with your household garbage. (3) Do not attempt at any time to dispose of a sealed container of syringes with the recycling collection; syringes put into a recycling container will come into contact with human hands and risk health and safety of workers.

The “**Recycling Convenience Center**” is open Monday-Friday, 8 a.m. - 5 p.m., Saturday 8 a.m. - 4 p.m. (closed Sunday) at 225 Smith Street, Keasbey (under the Parkway Bridge). ► **Residents can drop off bulk waste items free-of-charge:** appliances, concrete, dirt, asphalt, residential construction debris (no commercial debris), mixed metals, leaves & brush and recyclable electronics (PCs, lap tops, monitors, printers, keyboards, mouse attachments, scanners, TVs, etc.). ► You must present a valid driver’s license or proof of Township residency. ► **NOTE:** Residents requesting a special curbside bulk waste pick-up must pay the \$30.00 bulk waste pick-up fee. ► For more information on the Recycling Convenience Center and bulk waste pickup call (732) 738-1311 x3049 or log-on to Woodbridge Township web page at www.twp.woodbridge.nj.us (click on Recycling).
