# From the Executive Director

On behalf of the Woodbridge Metro Chamber of Commerce, welcome to our vibrant community. It is an exciting time to be in Woodbridge and our surrounding communities. The growth in our community and service offerings are indicative of strength and resilience.

The Chamber of Commerce was established in 1964 and serves as a voice for the business community. Our Chamber offers multiple opportunities for our members to network and grow their business. We are a source for educational information, marketing and community outreach. The Chamber invites you to become a member and share your experience and knowledge within our business community.

This Directory serves as an introduction to individuals and businesses that drive our economic growth in Woodbridge Township and the surrounding areas. It is also a great tool to use as a resource guide in identifying the who, the what and the where!

Woodbridge and our surrounding communities are a great place to live, work and play. I encourage you to visit and explore everything that Woodbridge has to offer. Join us in our excitement!

# Chairman Welcome

Over half a century ago, members of the business community met to discuss the future of business in Woodbridge and our surrounding areas. And since 1964, working together for the benefit of each other seemed more profitable than simply "going it alone." The Woodbridge Metro Chamber of Commerce's mission was to expand our services to members while remaining loyal to our commitment to serve the region's economic needs.

Today, the Chamber of Commerce welcomes and serves both existing members and new members. These businesses recognize the value of the strategic alliance throughout the communities that the Chamber of Commerce serves. While Main Street has always been considered the heart of Woodbridge, the areas of Colonia, Iselin, Fords, Avenel, Hopelawn, Keasby, Menlo Park Terrace, Sewaren and Port Reading all have thriving businesses and engaged residents. We are committed to bringing all of these communities together to keep Woodbridge "the best town around," as Mayor John MacCormac likes to say.

As you explore Woodbridge, it is hard not to notice the development of luxury living complexes and redeveloped retail space. We are a growing, vibrant community that leads by example. As you will see, Woodbridge has something for everyone. This Membership Directory serves as a valuable resource to identify restaurants, merchants, professional services, malls, educational tools and recreational activities. Few communities rival our attorneys, real estate agents, accountants, bankers and small business owners.

At The Woodbridge Metro Chamber of Commerce, our vision is to bring together our businesses, residents and visitors. We live our mission each day, share in our vision...invest in your success!

# Mayor Welcome

## Welcome to Woodbridge Township... The Best Town Around

**Woodbridge Township**, chartered in 1669 as the first incorporated municipality in the Province of East Jersey, has continued to blossom as the most progressive, business-friendly community in the State of New Jersey. Today, Woodbridge Township's Ten Towns - Avenel, Colonia, Fords, Hopelawn, Iselin, Keasbey, Menlo Park Terrace, Port Reading, Sewaren and Woodbridge Proper – have maintained the feel of small-town America while offering residents and visitors quiet, tree-lined neighborhoods, local schools within a short walk and a responsive government focused on the needs of those who choose to live, work, educate their children and recreate in our community.

As Mayor of Woodbridge Township, I am pleased to report that the Woodbridge Metro Chamber of Commerce (WMCC) has been steadfast in their partnership with the Township Administration as we share the vision of a vital business-oriented community offering the best of services to residents and visitors. Our partnership has advanced development initiatives and has continually sought opportunities whereby corporate headquarters and offices, industry and business, retail and shopping centers, residents and visitors, have come together to contribute to the betterment of our community in support of the unparalleled first-class business environment that is Woodbridge Township.

Over the past several years, we successfully engaged economic development in our Downtown Woodbridge business district that heralded a historic multimillion-dollar investment in luxury apartment complexes, corporate offices and professional service facilities and which spearheaded the renaissance of our restaurant and shopping district. In fact, Main Street stands as the hub of Woodbridge Township with a modern New Jersey Transit train station and transit village that gets riders to New York City within 30 minutes and to the Jersey shore in similar time. We have multiple community events, parades, festivals and a newly refreshed Parker Press Park (the home of the first operational printing press in New Jersey) with our hundreds of daily employees as our anchor.

It is also important to note that our economic development initiatives benefited our schools with the construction of new turf fields (football/soccer, baseball and softball), outdoor athletic tracks and sport facilities, gymnasium improvements, elementary school playgrounds and the Theater at Woodbridge Middle School – improvements that benefit not just school children but the entire Woodbridge Township community which utilize the facilities. As a result of these investments, the Township will continue to support our school infrastructure and facilities without an additional burden on our taxpayers. By offering tax incentives, we ensured that developers would continue to invest in Woodbridge - bringing thousands of jobs to our citizens with the added benefit of tax-free financing to expand and renovate school district and community infrastructure.

In concert with the Greater Woodbridge Metro Chamber of Commerce and the Woodbridge Economic Development Corporation (WEDCO), we welcome you to learn more about our great Township and the many commercial, business, retail and entertainment opportunities that exist throughout our "Ten Towns." We invite you to visit the Woodbridge Township Web Page at [www.twp.woodbridge.nj.us](http://www.twp.woodbridge.nj.us) or call my office at 732-602-6015. We look forward to welcoming you to Woodbridge!

Best Regards,

# History

## Looking Back

Woodbridge Township was chartered on June 1, 1669. The name is thought to derive either in honor of Rev. John Woodbridge (1613-1696) of Massachusetts who led the settlers, or from Woodbridge in Suffolk, England, where many came from.

Johnathan Dunham (1640-1704) built the first grist mill around 1670 and his son, Benjamin, built the fine brick home that today serves as the rectory for Trinity Episcopal Church.

Throughout the 18th century, Woodbridge grew into a modern community. Economic growth was spurred by clay mining and ceramics manufacturing, while Boynton Beach emerged as a popular resort, drawing vacationers from all over via train. New Jersey's first print shop was established in Woodbridge around 1752.

During the Civil War, Woodbridge sent 164 men into the Union Army, including William C. Berry, who was killed on May 5, 1862, at the Battle of Williamsburg, Virginia.

In WWI, 11 Woodbridge men were killed. Also serving was August "Augie" Greiner, who later became mayor (1934-1951). Sewaren was home to General Hospital No. 3, established by orthopedic surgeon Dr. Fred H. Albee, where over 6,000 wounded servicemen were rehabilitated.

The "Roaring Twenties" roared with the Woodbridge Speedway auto race track. Between 1928 and 1938, crowds thrilled as top-name drivers competed on the wood-board course.

During WWII, the Township lost 138 residents. The S.S. Woodbridge Victory Ship was completed March 29, 1945, and served both through the end of the war and in the Lend Lease program.

On February 6, 1951, Woodbridge was the scene of the deadliest train wreck in state history, when the Pennsylvania Railroad passenger express "The Broker" derailed at the Garden State Parkway construction site, killing 85 and injuring hundreds more.

As New Jersey's oldest chartered Township, Woodbridge has a long and rich history. Details of these stories and much more can be found on the Historical Association of Woodbridge Township's website at [www.woodbridgetownshiphistory.org](http://www.woodbridgetownshiphistory.org).

## “The Best Town Around”

### Why Woodbridge?

Known as “The Best Town Around,” Woodbridge has grown over the past four centuries into the fifth-largest municipality in New Jersey. It encompasses 10 separate and distinctive communities – Avenel, Colonia, Fords, Hopelawn, Iselin, Keasbey, Menlo Park Terrace, Port Reading, Sewaren and Woodbridge Proper.

The township has earned the New Jersey League of Municipalities prestigious Sustainable Jersey Silver-Level Certification and Champion Award for large-size municipalities for 14 years running and has been named an “All-American City” by the National Civic League.

With its ideal location in northern Middlesex County – considered the Crossroads of New Jersey – Woodbridge encompasses 26 square miles and is strategically located between New York and Philadelphia. The community’s 100,000-plus residents have easy access by land and rail to employment, shopping, dining and recreational opportunities throughout the region. Convenient public transportation access, skilled workforce and training facilities, a booming economic development commitment, new

housing, updated and expanded recreational facilities and more make Woodbridge Township a natural choice for business and industry.

The plethora of transportation options literally brings business and business travelers to Woodbridge’s front door. Woodbridge’s transportation hub includes easy access to the New Jersey Turnpike and Garden State Parkway; Interstate 287; U.S. Highways 1, 9, 35 and 27; and Route 440, providing a direct link to New York City via Staten Island. Rail commuters find both Amtrak and New Jersey Transit passage via the Metro Park Station in Iselin and from the downtown Woodbridge and Avenel train stations. Nearby Newark Liberty International Airport speeds business air access to nationwide and international destinations.

When it comes to business development and commerce, the Woodbridge Economic Development Corporation, or WEDCO, continues to connect with international corporations and corporate headquarters, commercial enterprises, businesses and retail outlets looking to make Woodbridge Township their corporate or business home. WEDCO provides a detailed map of development and redevelopment opportunities available to the

corporate, industrial and business community looking to invest in Woodbridge Township. Through the outreach of the Mayor's Office, WEDCO and the Woodbridge Metro Chamber of Commerce, Woodbridge has become home to top industries in health care, professional services, retail trade, international distribution and warehousing.

Employers such as AriZona Ice Tea, Siemens, Amazon Fulfillment Center(s), FedEx, CPV-Woodbridge Energy Center, Wakefern, Preferred Freezer, Prudential, Verizon, Plymouth Rock Assurance Company, plus many other international corporations and businesses have been drawn to the community's strategic location, transportation routes and the availability of unsurpassed commerce support.

## A Downtown with a Vision

Blessed with a traditional downtown, Woodbridge Proper boasts pedestrian streets lined with retail shops and restaurants. The Woodbridge Redevelopment Agency and the Department of Planning & Development look to the future via the Downtown Woodbridge Vision Plan, which is geared to spur redevelopment projects in the Main Street business district and surrounding commercial center.

The Vision Plan created separate redevelopment zones to encourage private developers to evaluate each of the zones and to present ideas as to how the downtown area can be enhanced. Redevelopment projects are geared to develop the New Jersey Transit/Woodbridge Train Station area as a Transit Village development project. Today, Parker Press Park – the Town Square gathering place for 350 years – boasts a popular farmers market, art exhibitions, cultural events and numerous concerts.

## Education & Recreation

The Township government has a special relationship with the Woodbridge School District. Together, the working partnership has successfully constructed a new \$30 million Ross Street Elementary School #11, along with \$20 million in renovations and improvements to Woodbridge Middle School. The Administration also has supported the investment of more than \$26 million in new community recreational facilities on school grounds that included new multi-use turf football, soccer, softball and baseball field; new running tracks; tennis courts; and gymnasium/auditorium improvements at all of the high schools and middle schools.

The Theater at Woodbridge Middle School was renovated and the district installed new playgrounds and recreational facilities at every elementary school. Most importantly, the joint ventures between the school district and the township administration successfully allowed for millions of dollars in improvements to school district facilities without any increased cost to taxpaying residents.

The Woodbridge Community Center and The Club at Woodbridge are recognized as the best wellness and fitness centers in Central New Jersey. The Cypress Recreational Center in the Port Reading section of the township is the permanent home for cheerleading and wrestling, adding to the array of recreational opportunities.

## A Regional Performing Arts Hub

The Avenel Performing Arts Center, known as APAC, is the region's newest performing arts center designed for theater, stage productions and special performances. Theater-goers will enjoy performances at the very best entertainment venue in Central Jersey. The APAC, a multi-disciplinary performing arts center, has energized Avenel and surrounding communities by programming exceptional professional theater, music, comedy, dance and more. The APAC features seating for 200 patrons, a separate performance room and a pre-function lobby area that opens to exterior space for larger gatherings and events. APAC also features the stand-alone Curtains Restaurant.

APAC was made possible through the Woodbridge Arts Alliance, a 501(c)(3) organization dedicated to advocating, activating and animating Woodbridge as a regional destination for the arts. The township has an art-driven economic plan, which includes enhanced arts programming and education representative of the diverse regional population. The arts alliance will expand on existing arts activities to increase Woodbridge's standing as a regional hub for the arts and to help advance the economic position of artists, creative entrepreneurs and associated entities. Visit the APAC at [www.avenelarts.com](http://www.avenelarts.com) for box office and performance information.

The Avenel Arts Center, a 13,500-square-foot performing arts facility specially designed for theater, stage productions and special performances, is the centerpiece for regional performing arts. Located in the new Station Village at Avenel, the Avenel Arts Center is destined to be one of the hottest places in Central Jersey.

## Welcoming the Business Community

Aiding the Township's already business-friendly environment are organizations dedicated to the well-being of local commerce.

Woodbridge Metro Chamber of Commerce is a voluntary organization and vital resource for business, industry, retail and professionals working to improve Woodbridge's economic and civic growth. For more than 50 years, the Chamber has been at the heart of business in the metropolitan area. Representing more than 450 member businesses, the Chamber offers numerous opportunities for growth through networking, educational programs, affordable advertising, member-to-member discounts and referrals and legislative influence.

The Small Business Development Center at the College of New Jersey provides counseling to more than 600 businesses, training 2,000 people each year. The organization offers free membership and technical assistance through one-on-one or group consultations, informational seminars and interactive workshops.

Additional state programs offer a full range of opportunities for businesses in Woodbridge through the New Jersey Commerce and Economic Growth Division. Business can access departments specializing in business retention and expansion, business attraction, real estate services and sustainable businesses.

Working to attract new businesses, as well as support the area's already established businesses, the Woodbridge Economic Development Corporation has designed a number of programs to create successful ventures for area entities and the Mayor's Office of

Planning & Development, the Woodbridge Redevelopment Agency, Woodbridge Planning Board and Woodbridge Zoning Board have implemented long-term economic development strategies and business incentives which serve to attract corporate economic development. As a result, several significant development and construction projects demonstrate that businesses view Woodbridge as a sound investment and are changing the face of Woodbridge Township.

# Community Living

## The Perfect Combination

With its first settlers calling the area home all the way back in 1664, Woodbridge has been an excellent place to live for 350 years. Ten communities make up the township that is Woodbridge – Avenel, Colonia, Fords, Menlo Park Terrace, Port Reading, Sewaran, Hopelawn, Iselin, Keasbey and Woodbridge Proper. Each community maintains its own distinct character while still fitting together to create a unified Woodbridge Township.

Life in Woodbridge is the perfect combination of small town and big city. Peaceful, suburban neighborhoods are ideal for raising a family or relaxing in retirement, and the plentiful businesses and excellent highway system make it easy to both work and play close to home.

Housing options are available for most every preference and price range, including multiple, new luxury living complexes. Public housing buildings, apartments, condominiums, single-family homes and extensive estates can all be found throughout Woodbridge's 10 communities.

Senior living options are also abundant. The Woodbridge Housing Authority provides affordable and public housing for seniors, and there are several independent and assisted living facilities in the area.

## Bright Futures Start Here

The Woodbridge Township School District is committed to providing all students with a well-rounded education and inspiring them to attain personal goals and contribute positively to our society. Woodbridge Township School District educates roughly 15,000 students in 17 elementary schools, five middle schools, and three high schools. We are committed to pursuing academic excellence, sustaining positive learning environments, enhancing organizational effectiveness and fostering student achievement.

In demonstrating our commitment to academic excellence, we offer a rigorous curriculum to K-12 students. Innovative instructional strategies are complimented by program resources at all levels in the district. Elementary students are empowered through student-centered instruction while middle school students are offered a variety of innovative cycle courses along with traditional core classes. In high school, students are offered a robust program of studies, including over 25 Advanced Placement courses. Last year, 789 students took 1,226 AP exams in 25 subjects. Of those, 754 resulted in a 3 or above. To compliment one of the

most comprehensive dual enrollment programs in the state, we continue to explore partnerships and expand upon our existing partnerships with: Rutgers University, Syracuse University, Kean University, Rider University, New Jersey Institute of Technology (NJIT), Middlesex College (formerly Middlesex County College), and Berkeley College. We also provide career education with paid tuition programs for Lincoln Tech, and local Commercial Driver's License (CDL) schools.

To ensure our students are able to overcome the long term effects of the pandemic, our district invested in providing additional literacy coaches at each of our 17 elementary schools. To date, each of our elementary schools have at least two literacy coaches dedicated to providing interventions and building our students' reading competencies. Additionally, recognizing that our students needed support with regard to social skills and managing emotions, we added a full time guidance counselor at each of our middle schools. To date, each has three full time guidance counselors. All district counselors were also provided with resources in the form of Rethink Ed, a platform that helps schools promote an understanding of mental health and wellness.

# Shopping & Dining

## The Heart of It All

### Woodbridge Center

#### Retail

Anchored by Macy's, Boscov's, JCPenney and Dick's Sporting Goods, the 1.9 million-square-foot Woodbridge Center's multi-level enclosed mall includes apparel, accessories, sporting goods, shoes, electronics, health and beauty items, home furnishings, specialty stores and a number of entertainment options.

Woodbridge Center also features several specialty children's stores, including Carters, The Children's Place, Hellen Paris, Kids Foot Locker, and Journey's Kids and many footwear retailers, including Sketchers, ALDO, Footlocker, and the 11,000- square-foot Encore-Shoe Dept.

With over 160 shopping and dining options, this destination is open seven days a week.

The popular destination shopping attraction has 8,600 parking spaces. NJ Transit buses also come directly to the mall and connect with the township's railroad stations.

#### Entertainment

Kid-friendly attractions include a carousel, trackless train, bungee jump, plush animal rides and Playland, which is an indoor playground where kids can run, jump, climb and hang out all day long!

Woodbridge Center launched a new Kids Club in 2022. This free club hosts themed events each month generously partnered with many of our tenants and community partners. Parents can sign up for the program on the mall's website and be sent reminders

# Chamber of Commerce

The Woodbridge Metro Chamber of Commerce, founded in 1964, is an organization of business, industry, retail and professional people working to improve the economic and civic growth in our area. Our goal is to help our member businesses thrive by connecting them with the contacts, resources and professional development they need to succeed. We are an advocate for your business interests, and along with our members, serve as a leading force for business growth and economic development in our region.

The Chamber is not part of municipal government but works closely with township officials. It is financed entirely by members' dues and fundraising activities and is independent of all other organizations. **The Chamber is a member of the New Jersey Chamber of Commerce, NJBIA and the U.S. Chamber of Commerce.**
