All customers in arrears should be referred to DCAid or NJ211 for possible assistance.

The regulations require all vendors to do the following:

1. Send a notice to all residential customers about the Winter Termination Program in the billing cycle prior to November 15th. The notice shall set forth the terms and conditions of the Program. A vendor shall also send a notice about the Program to a residential customer who has started a new service, after the billing cycle, prior to November 15 at the time the residential customer starts the new service. The notice must also include information about all available bill-payment assistance programs.

- a. If a vendor has a policy that prohibits service from being shut off to any residential customer from November 15 to March 15, the vendor does not have to comply with the notice requirement above.

 - a. A summary of the program including eligibility requirements.
 - b. A phone number, email address and mailing address for residential customers to use to communicate their eligibility.

 - d. A link to DCA's Winter Termination Program website: <https://www.nj.gov/dca/dhcr/offices/wintertermination.shtml> and the self-certification form: https://www.nj.gov/dca/divisions/dhcr/forms/docs/Self_Cert_for_WTP.pdf
3. Not request a security deposit or an addition to an existing security deposit from a customer who is eligible for, and seeks the protection of, the Winter Termination Program.
4. Restore service during the Winter Termination Program period if a residential customer applies for utility bill payment assistance, as provided by N.J.S.A. 40A:5A-29.b(3).
